Bisque o' County Jr

SOUP

NET WT.
10 3/4 OZ.
(305g)

Very fancy!

Bruce Campbell's Bisque o' County Jr is a southwestern soup that combines the flavors of the 56th century with a Wild West sensibility. Legend has it that it hasn't been passed down for centuries, but stolen back and forth between bounty hunters, con women and bandits.

• **SERVING SUGGESTION:**
TRY IT WITH A SIDE OF FIRST SEASONAL X-FRIES.
